May 28th Memorial Day School Closed

June 17th Fathers Day

Ready to Move!

As many of you have noticed, there are some new faces around the school, and a few more will be joining us. Rest assured these new faces are to help us transition in the next phase for Academy of Little Achievers. We will be moving some of the children into new classrooms as of May 24th as we prepare for summer camp! In order to make these transitions as easy as possible we will be using the teachers that the children are familiar with to help them adjust in their classrooms. Please note that not all children will be moving in May. We are going to make gradual transitions throughout the summer, and into the fall.

We are currently enrolling for Summer and Fall. We have limited openings. Refer a friend and each receive a \$50.00 Credit.

Reminder:

If your child will be in VPK in August call the Early Learning Coalition @ 255-1650 to make an appointment to receive your VPK voucher.

As the school year comes to a close we would like to wish all of our kindergarten bound students a fun filled summer and a successful school year ahead! Don't forget to come back and visit!

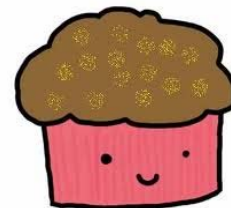

www.acadmeyoflittleachievers.com

To maintain your spot for the fall we must have your certificate by May 15th.

Pastries with Parents

(Come celebrate being a mom, dad, grandparent or guardian)

Come enjoy breakfast with your child from 8:00-8:45 and celebrate with them.

This is a tobacco free campus. Please do not throw your cigarette butts in our parking lot or along the road as we are having to go outside daily and clean up.
